

Call for PAPERS

Deadline
30TH AUGUST, 2024

Theme:

**Procurement and Supply Chain Transformation for
Effective Management of Resources**

THE 15TH PROCUREMENT AND SUPPLY PROFESSIONALS ANNUAL CONFERENCE

Conference Dates: 17th - 19th December, 2024

Introduction

The 15th Procurement and Supply Professionals' Annual Conference aims to bring together Procurement and Supply professionals and other stakeholders to share and discuss their professional practices and experiences in the procurement and supply chain transformation for effective management of resources.

The conference will provide a platform for discussion on key issues such as building competitive economic growth through sustainable procurement and supply chain, exploring the drivers and barriers of procurement and supply chain transformation, the role of procurement and supply chain transformation for effective management of resources, and management of funded projects through procurement and supply chain transformation.

Who should attend;

The conference is open to Procurement and Supply Chain Professionals, Tender Board Members, Accounting Officers, policymakers, Auditors, Engineers, Architects, Quantity Surveyors, Pharmacists, ICT Practitioners, Lawyers, Academicians, University Students Consultants, Researchers, Business Community, Non-Government organizations, and any other interested persons.

Paper Writers' invitation and guide for abstracts preparation

The Conference Organizing Committee welcomes Procurement and Supply Professionals, Academicians, researchers, Policy Makers, and other authors to submit their abstracts of between 200 - 350 words. The author of each accepted paper will be required to present respective paper in the conference venue.

Conditions;

- The authors should make sure that papers are grounded in the field findings, professional practices, and experiences.
- The abstract content and learning experiences should be consistent with the theme and focus on one of the sub-themes highlighted hereunder;
- Plagiarism is an unacceptable professional misconduct and cannot be tolerated. If an author is found to commit an act of plagiarism, the paper will be rejected at any process. and
- Authors will not be allowed to send a representative to present his/her paper on their behalf.
